Services and Treatment

16. Our pet care plan is designed to help you spread the cost of specified routine preventative treatment for Your Pet over a **12-month period** ("Your Plan"). Treatment paid for by Your Plan entitles the pet named on your direct debit confirmation letter ("Your Pet") to receive specified routine preventative treatment ONLY. Please refer to our marketing material or speak to Your Vet about the services that will be included as part of Your Plan (the "Services"). You can also find further details about Your Plan at <https://www.medivet.co.uk/medivet-healthcare-plan/>.
17. Your Plan entitles Your Pet to receive treatment by Your Vet practice only. If Your Pet requires treatment or you choose to have services or treatment provided by another Medivet veterinary practice, such services or treatment will only be provided under Your Plan at the discretion of the new practice.
18. The Services will be provided by us in accordance with the normal standards of veterinary care. However, we can only provide the Services pursuant to appointments which you make, and it is your responsibility to make sure that Your Pet attends check-ups in accordance with Your Plan. We can only provide the Services based on the information we have concerning Your Pet and you must let us know about all relevant information regarding Your Pet, including any health or lifestyle related changes after the policy commences.
19. Your Plan includes: (i) two health checks during each 12-month period of the Agreement, one will be conducted at the time of the annual vaccination visit of Your Pet and the other will be conducted at 6-months after vaccinations or 6 months of age (whichever is required). The health check is a nose-to-tail healthy pet check and does not cover emergency and/or sick pet consultations.
20. If additional health care concerns are presented during the 6-month health check; (i) any treatment or services provided to address such concerns will carry an additional charge not covered by Your Plan; and (ii) 10% off veterinary services and products, the discount will be applied to prescription medication and/or vet care services recommended by Your Vet.
21. 10% off vet care and medications excludes front of shop items such as pet toys and gifts. 10% off food only applicable on products mentioned within the marketing material.
22. MHP Senior bolt on – Only the pet registered for Senior bolt on is eligible for twice yearly blood pressure tests and one annual blood screening profile. To be used as a screening for healthy pets only. The senior bolt-on is an additional monthly charge on top of Your Plan, please refer to our marketing material or speak to Your Vet about these additional services and associated costs.
23. Nothing in Your Plan prevents You and Your Vet agreeing that they will provide additional healthcare, services, and treatments outside Your Pet's entitlement under Your Plan. Any additional healthcare, services or treatments which are not included in Your Plan will incur an additional charge which is payable separately by You to Your Vet.
24. You must use products prescribed by Your Vet in accordance with their instructions and in accordance with the product data sheets provided. Any prescribed products must not be used on any other pet than the pet they are prescribed for. No refunds will be given in the case of improper use of the products. If Your Pet has a sensitivity or allergic reaction to any products prescribed on Your Plan, alternative products may be available to Your Pet, but these may incur an additional charge not covered by Your Plan.
25. You are responsible for ensuring Your Pet attends Your Vet regularly and that you comply with the advice and treatment Your Vet prescribes for Your Pet. We will endeavour to remind you about treatments that are due, but it is your responsibility to ensure that you collect and correctly administer any prescribed treatments that are covered within Your Plan, and you should not rely solely on the complimentary reminders. We will not refund fees paid or payable by you if you fail to collect any or all products and services on Your plan in accordance with clause 24.
26. There may be instances where we are unable to provide the Services for reasons beyond our reasonable control. Such circumstances include (but are not limited to) the absence or illness of suitably qualified veterinary staff and/or shortages in the supply of necessary vaccinations or drugs. Where we experience delays in the provision of the Services to you for reasons beyond our control, we will do what we reasonably can to minimise these delays and accommodate you and Your Pet with another appointment. However, we will not be liable to you for a failure to deliver the Services in these circumstances.

Payment and Costs

27. By entering Your Plan, you are agreeing to make the payments detailed to you by the veterinary practice to Your Vet, in accordance with clauses 28 and 29.
28. Payment - You can choose to pay for Your Plan in one upfront annual payment or in equal monthly instalments via direct debit payment ("DD"). If you choose to pay annually, a £5 admin fee will be added to the total annual fee. If you choose to pay via monthly DD, (i) Premier Vet Alliance ("PVA") acts as an agent of Your Vet and shall collect all direct debit payments and fees on their behalf, and (ii) a £5 fee will be collected with your first DD payment.
29. The Initial Payment - is due in practice on the day you set up Your Plan. Thereafter monthly DD payments will be collected on or around the same date each month you select at the time you set up Your Plan (1-28th), until such time as this Agreement is terminated. If Your selected payment date falls within 10 days of setting up Your Plan (the DD confirmation period) then the first payment will be collected on or around the same date the following month.
30. Failed payment - If you pay by monthly DD and we are unable to collect your monthly payment, we will contact you and attempt to collect the payment from your account again within 10 working days.
31. Failed payment of more than 1 payment - Your Plan will be terminated if you default on 2 consecutive payments and Your Vet reserves the right to obtain from you any unpaid direct debits for the remainder of the 12-month agreement. If you cancel your Direct Debit for any reason at any time, we will treat this agreement as terminated. If any payment for Your Plan remains unpaid one month after it is due Your Vet reserves the right to terminate your agreement at any time in accordance with clause 36. We reserve the right to charge interest to you at the rate of 4% above the base rate of the Bank of England and/or suspend the provision of Services if your payments are

in arrears or if you have any outstanding debt with Your Vet which falls outside of Your Plan. Following full payment of any outstanding debt we will reactivate Your Plan.

32. Plan costs - Your Plan and the associated cost will be determined by the weight of Your Pet on the day you set up Your Plan and will be subject to any changes in accordance with clause 33. The cost for puppies in the first 12-months will be determined by the expected adult weight of your pet (dependant on breed) and will be subject to any changes in accordance with clause 33. Your Vet will explain which plan is best suited to your pet when you set up Your Plan.
33. Changes to Plan costs - If Your Pet's weight changes and as a result it moves into a higher or lower weight threshold, we will contact you to amend Your Plan and charge you the increased or decreased fee accordingly. We also reserve the right to change the weight thresholds from time to time by giving you at least one month's written notice.
34. Multiple pet discount – will only apply to the 3rd pet registered to MHP and will then apply for each additional pet above 3.

Starting and Ending this Agreement

35. The Agreement will commence on the day you join Your Plan. However, the Agreement will be conditional on your Direct Debit being confirmed within 10 working days. If your Direct Debit is not confirmed Your Plan will be terminated and we will charge you the cost of treating your pet(s) to that date and/or any administrative costs reasonably incurred by us.
36. Where you pay by monthly DD - Your Plan will start on the day your Initial Payment is made and continue automatically for periods of 12 months until it is cancelled by either you or us. To cancel you must give Your Vet more than 30 days' notice ahead of the end of your current 12-month period. To cancel at any other time, you must notify Your Vet and settle either the outstanding amount for treatment received in the period between the joining date or anniversary of joining (as applicable) and the cancellation date (including all discounts received up to the cancellation date), or all outstanding payments for the remainder of the year immediately (whichever is lower).
37. Where you pay with an annual payment - Your Plan will start on the day you make a full payment and will end after a period of 12 months or if it is cancelled by either you or us. To cancel Your Plan you must give Your Vet more than 30 days' notice, following a cancellation we will refund you any remaining money after deducting the cost of any treatments received in the period between joining date or anniversary of joining (as applicable) and the cancellation date.
38. If you cancel Your Plan because you are no longer the legal owner of the pet, then you must notify us of this change and settle any outstanding amount for treatment received up to the date you cancel in accordance with clause 36.
39. We reserve the right to cancel this Agreement if you fail to keep up with all payments due to us as set out in clause 28.
40. Unless otherwise specified in this agreement, we will not refund fees paid or payable by you except in the case of our administrative error (in our reasonable opinion) or the death of Your Pet, in which case we will only refund payments (for the deceased pet's Plan) that we receive after the date you notify us (for example where a payment is being processed on or round the day you notify us).
41. For the avoidance of any doubt, upon ending Your Plan in accordance with the terms of this agreement you will no longer be eligible to receive any of the plan benefits as outlined in the marketing material. This does not exclude your pet from receiving future treatment or services outside of the Plan, but any associated discounts and benefits provided under Your Plan will no longer apply.
42. We reserve the right to terminate your membership immediately for any reason at our discretion provided we have reasonable grounds to do so or if you commit any serious breach of these terms and conditions which shall include failure to meet your payment obligations as set out at clauses 28 and 29.

Use of Personal Information

43. We will hold and process your personal data in accordance with all applicable data protection and privacy legislation, including Regulation (EU) 2016/679 ("GDPR") and any law based on or enacting essentially equivalent provisions to GDPR in the UK. Please refer to our privacy policy for further details about how we collect, hold and treat personal information (<https://www.medivet.co.uk/privacy-policy/>). We have chosen Premier Vet Alliance Limited ("PVA") to administer the Pet Care Plan, which includes PVA collecting your monthly payments by Direct Debit. For PVA to be able to carry out these activities, we collect (on behalf of PVA) the personal data and financial information provided by you in this Agreement, and we provide PVA with that information. Please see PVA's privacy policy set out here <https://premiervetalliance.com/privacy-policy/>, which explains how PVA processes your data. We will only process the personal data and financial information provided by you in this Agreement as is necessary for the provision of the Services, including the provision of such information to PVA for the performance of the Services.

Variations

44. The cost of supplying veterinary treatment can vary from time to time due to, for instance, fluctuations in the cost of vaccinations and drugs, or an increase in the amount of vaccinations or drugs required due to a change in the size of the pet receiving that treatment. We therefore reserve the right to vary the amount of the monthly payments and we will give you a minimum of one month's written notice if there is any such change.
45. If you need to change the date your DD is collected or to update your direct debit details, you must notify The Premier Vet Alliance Limited on 01173 706 481. We will not charge you to change your due date for collection. It is your responsibility to notify us of any changes to your direct debit and/or contact details.
46. We reserve the right to transfer our rights under this Agreement to any other suitable person if we give you 4 weeks' notice.
47. You cannot transfer Your Plan either from Your Pet to another pet, or from you to a third party. You can however transfer Your Plan between participating Medivet practices, but this may alter the monthly cost of Your Plan. Please contact Your new Medivet Practice to request a transfer of Your Plan. You may have to settle any/all outstanding amounts for Your Plan to Your old Medivet Practice in accordance with clause 36.
48. For the avoidance of doubt, plans which are paid for in one upfront annual payment cannot be transferred between Practices
49. Where a pet is missing or due to exceptional circumstances beyond your control, you may request a suspension of Your Plan from Your Vet of up to 3 months. You will not be eligible for any new treatments and/or products connected to Your Plan during the period of suspension. At the end of the 3-month suspension Your Plan must either be cancelled or reinstated. If Your Plan is reinstated Your Vet will reduce the amount of treatment down by the period for which the plan was suspended. If Your Plan is cancelled a fee may be due in accordance with clause 36. Your Vet reserves the right to authorise or deny any request made for a plan suspension.
50. We reserve the right to vary this Agreement at any time by providing you with one month's written notice of any changes.
